2672

DATE MAILED: 06/02/2004

Please find below and/or attached an Office communication concerning this application or proceeding.

Applicant has called the Examiner regarding the First Action Final Rejection dated 4/19/2004. Applicant pointed out that Applicant has filed RCE on 3/30/2004 with a request for suspension of action under 37 C. F. R. § 1.103(c) for a period of three months. However, a Final Rejection has been mailed without taking consideration of the request for suspension of action for a period of three months. Applicant then called to request for the withdrawal of the Final Rejection. Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn. The Final Rejection dated 4/19/2004 is therefore withdrawn because Applicant filed RCE on 3/30/2004 with a request for suspension of action under 37 C. F. R. § 1.103(c) for a period of three months.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jin-Cheng Wang whose telephone number is (703) 605-1213. The examiner can normally be reached on 8:00 - 6:30 (Mon-Thu).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mike Razavi can be reached on (703) 305-4713. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Art Unit: 2672

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
